LUNCH TIME					
2.00-2.30pm		Mandarin with Alison Meeting ID: 775 233 5501 Password: 335501			
Co-curricular Activities	PE, Music, Science, Art, Philosophy, Reading, Problem Solving, Research Projects, Challenges, Think and Solve Book 1, Computing (Purple Mash, Espresso, Maths Whizz)				
Suggested alternative activities to live lessons	**Maths Project** **Telling the time re-cap** Maths project worksheet **Key vocabulary:** Analogue Half past O'clock Time Quarter Past Quarter to **Extension activity:** Extension maths project sheet Use your clock that you created in last week's lesson to practice telling the time using the correct vocabulary. **Website links:** See link to Nrich website for more fun time related games Nrich time games Tell the time - BBC bitesize **Quiz yourself** (Level 1 & 2 only) Hickory Dickory Dock game Please continue to practice counting in 5's	**Creative writing** **This week we are learning to write descriptively about our missing pet.** Adjectives with Jack Hartman Watch Chloe introduce the Creative Writing lesson **Remember your targets:** Are you writing your letters on the line? Are you separating your words with finger spaces? Only use capital letters when necessary. End your sentences with full stops. Extend your sentences by using connectives. **News** **This week we are learning to use time**	**Phonics** This week we are looking at the 'i-e' split diagraph. See links to videos below that introduce the 'i-e' sound: Please have a look at Mr Thorne does phonics below: 'i-e' split digraph with Geraldine Learn and listen to Mike the Pike Practise blending the 'i-e' digraph with Chloe Can you think of any other words with the 'i-e' split digraph? Write down as many as you can. Can you think of a sentence using the 'i-e' split digraph? Don't forget to underline the digraph like we usually do in our lesson. Activity Time:	**Science** This week, Prep I will be learning about the life cycle of a plant, specifically, the sunflowers life cycle. Children should review their learning from the previous week by drawing a flower and talking about the functions of the **roots, stem and flower.** Children should listen to the story of the lucky seed on the video below and learn about the life cycle of the sunflower. Life cycle of a sunflower video Children should complete the activity sheet below to check their understanding. For this activity, your child will need scissors and a glue stick. Please supervise your child while they are cutting out the boxes. Life cycle of a sunflower worksheet	**Project** **Ancient Greece** Today we are going to be looking at Greek Clothes. Let's have a look at some together. Greek clothing We are going to learn how the Greek wore light, loose clothes as the weather was hot for most of the year. We will look at how they used long pieces of colourful fabric to make Greek clothes. The main item of clothing for men was a tunic, called a chiton, these were big squares of cloth, held in place by pins at the shoulders and a belt around the waist. They were made from wool in the winter or linen in the summer. Let's have a look at life in Ancient Greece together. Life in Ancient Greece Let's create a brainstorm highlighting materials used in traditional Greek clothes. Materials used in traditional Greek clothes mind map

THE MULBERRY HOUSE SCHOOL

	around the clock. **Maths number** Doubling to 10 worksheet Doubles ma-ha Doubles-halves Doubles ba Last week we learnt how to use a number line to count, jump and move in 10's. This week we are learning how to double our numbers. Let's learn together! Dancing doubles! Let's look at what the term doubling means. Please add doubling, halving PowerPoint. Doubling with Rebecca Can you now explore doubling numbers? Do you have any beads or blocks to practice your doubling? Think about the equal spots on ladybirds, you could even draw your own to help you. Can you use some of the worksheets we have provided to have a go at showcasing your knowledge of doubling? Let's practice doubling our numbers to see the patterns we notice, you can use concrete and pictorial objects to help you present your knowledge of how to double.	**connectives to write a holiday postcard.** Watch Chloe introduce the activity here Remember to use verbs, nouns and adjectives to make your sentences interesting. **Keywords:** First After that Next Finally Then	Complete the Phonics worksheet Phonics extension activity sheet **Spellings** Week 6 spelling test with Rebecca! split e_e diagraph Well done for completing your spelling test last week Prep I! This week our spelling test is looking at a different digraph. Today our focus is the split digraph 'e_e' Get your pencils and paper ready for your spelling test. Can you have a go at marking your spellings yourself? Let's remember to really focus as we listen as it is a test. Don't forget you can think of your own words and create your own sentences as an extension task. Good luck! Please practice these spellings for next week's test. **<u>Spelling Bank</u> 'i-e'** **Main words** • hide • wide • pile • time **Extra words** • crime • shine	**Extension:** Now ask your child to draw a picture of the lucky seed flying through the air. Ask them to add detail to their drawing to show what the seed will see on their journey. **Key questions:** How is your seed travelling? What can it see on its journey? How is the seed feeling? **Handwriting** Handwriting lines Last week we looked at the letter x. This week our focus letter is the letter z. Let's recap on the letter formation rhyme together from last week for the letter x, 'Down the arm and leg, and repeat the other side.' Let's now look at our new letter, the letter z. Let's practise that letter rhyme together. We're going to stretch this letter like a zip, are you ready! zig, zag. Zig. Let's say that rhyme as we form our 4 lines of 4 letters. You can use the handwriting lines we have provided or you can make your own.	Let's now create a traditional Greek outfit together! Are you ready? Do you have your fabric and belt ready? Let's think of some of these questions. What do you think of the outfit? Would you wear it today?

THE MULBERRY HOUSE SCHOOL

	.		Can you think of any other words with the 'i-e' split digraph? Write down as many as you can. Can you think of a sentence using the 'i-e' split digraph? Don't forget to underline the digraph like we usually do in our lesson.	Don't forget to sit your letters on the line and to use your finger spaces in between each letter. What words can you think of beginning with z or containing that letter? Can you write a list of some? Now can you write a sentence using those words. Let's remember to write our words on the line. Using the sky, grass and soil template remember to watch out for any descender letters, making sure the descender letters' tails touch the bottom of the soil. Don't forget to start all of your letters on the grass and that any long ladder letters need to touch the top of the sky. You can watch how Rebecca formed the letter z below. Handwriting with Rebecca, Let's learn how to form the letter z together! **Postcard of kindness!** To showcase your	

THE MULBERRY HOUSE SCHOOL

				lovely handwriting, we would love you all to create your own postcard of kindness to send to either an elderly resident or carer at a care home. The elderly residents have been unable to have any visitors or able to socialise with the outside community for seven weeks. They are being looked after by care staff. If you have some spare time I'm sure they would love to hear from you with a postcard! They are two options: **Option A:** is a postcard to a resident and **Option B**: is a postcard to a member of staff at the care home. So that the residents know that their letters are all coming from the same school please use the postcards of kindness template MHS. Please send these to the below address: **Ruislip Care Homes** **Head Office** **Dolcoath** **9 Tudor Road** **Pinner** **Middlesex** **HA5 3RZ**
