All about me

Aims:

- To develop the children's social skills and enjoy being with and talking to children and adults.
- To respond to wishes and feelings of others.
- To begin to share and take turns in small groups.
- To encourage the children to show and develop confidence in what they are doing.

People who help us

Aims:

- To develop the children's social skills and enjoy being with and talk to other children and adults.
- To aid the children in appreciating the importance of their own role in helping around the home and their peers
- To learn about facts and information about the daily routines of people in the local community.
- To help children show and develop confidence in what they are doing.
