

Transition Summer Timetable Week 2

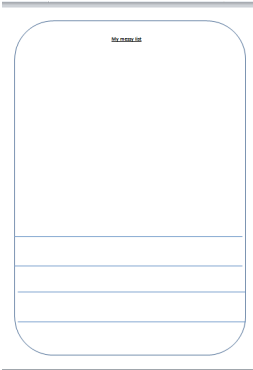

[Welcome](#)

[Story Time](#)

Learning intentions for this week:

- To be able to remember object seen in our focus story and create a list.
- To be able to write numbers 1-20 and order them correctly.
- To learn our new sound of the week and think of new words that start with the initial sound.
- To be able to design and create a junk model.

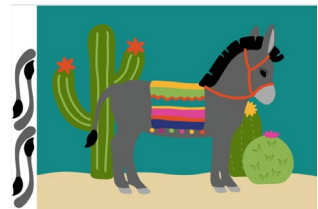

AM Monday	AM Tuesday	AM Wednesday	AM Thursday	AM Friday
<p>Personal, Social & Emotional Development:</p> <p>Wellbeing</p> <p>My Worry Jar</p> <p>This morning we are going to make a worry jar.</p> <p>What do you think a worry jar is for?</p> <p>Do you know what worrying means?</p>	<p>Literacy:</p> <p>News</p> <p>The messy list</p> <p>This morning we are going to listen to our story the Messy Magpie again.</p> <p>Adults, please remind your child they need to listen very carefully.</p> <p>Our activity today is</p>	<p>Personal, Social & Emotional Development:</p> <p>Hygiene</p> <p>What do sugary drinks do to our teeth?</p> <p>Today we are going to do an experiment to see what happens to our teeth if we drink lots of sugary drinks!</p> <p>What you need for this activity:</p>	<p>Mathematics:</p> <p>Number Formation</p> <p>Invisible numbers</p> <p>Our number formation lesson today is called invisible numbers!</p> <p>(Hopefully, we have some sun today as we will be outside)</p> <p>For this activity you need:</p>	<p>Expressive Arts and Design:</p> <p>Music with Janie</p>  <p>Literacy:</p> <p>Letter Formation</p> <p>This morning before we begin our letter</p>

<p><i>Worry: The verb worry means to be concerned or nervous.</i></p> <p>Have you ever felt worried before?</p> <p>This is a lovely activity to talk about feelings with your child.</p> <p>All you need is a jar and some paper.</p> <p>Adult's, maybe you can model a worry for your child and put the paper in the jar.</p> <p>Write down something that is worrying you and put it in the worry jar.</p>	<p>to create a list of all the rubbish we noticed in the story.</p> <p>You need to pay attention to the objects he has in his mouth and around him.</p> <p>It could be helpful to stop and start the story so they can really look at the pictures in the story.</p> <p>When you have finished your list you can draw a picture of some of the objects you found in the story.</p>	<ul style="list-style-type: none"> • 5 raw white eggs • 5 cups • Masking tape • Water • A dark-coloured sugar-free drink like Lucozade lite Cherry. • A dark-coloured fruit juice like grape juice. • A dark-coloured fizzy drink such as cola. • Orange juice <p>Now we have everything ready here's what to do:</p> <ul style="list-style-type: none"> • Label the cups with the name of each drink you have poured inside. Don't forget the water cup! • When your cups are ready put one egg inside each cup. • Check your eggs after a few hours. <p>What has happened to your eggs?</p>	<ul style="list-style-type: none"> • A pot with water • A paint brush • Chalk board/fence <p>We need to go outside for this activity, bringing with us our pot of water and paint brush.</p> <p>On your fence outside you can practice your numbers on the fence!</p> <p>How big can you write your numbers?</p> <p>How high can you write your numbers to?</p> <p>How many numbers can you write before they dry and disappear?</p> <p>If you do not have garden space, you can use a chalk board.</p>	<p>formation lesson we are going to prepare for our lesson by stretching out our shoulders with something called 'I don't know'.</p> <p>When we say 'I don't know' we normally move our shoulders up and down.</p> <p>This is what we are going to do.</p> <p>Start with your arms down by your sides and then bend the elbows 90 degrees with palms facing upwards.</p> <p>Then lift the shoulders up towards the ears hold for 2 seconds or say slowly "I don't know!" then release the shoulders.</p> <p>Repeat 5 times.</p> <p>Excellent! Now let's start the lesson with 'p'.</p> <p>Let us remind ourselves</p>
<p>Physical Development:</p> <p>Games</p> <p><u>Pin the tail on the donkey</u></p>				

<p>Pin the tail on the donkey is not just for birthdays! You can play it all year round.</p> <p>Together we can make one!</p> <p>Instructions to make pin the tail on the donkey:</p> <ul style="list-style-type: none"> • Start by cutting out your tails and placing a small amount of masking tape on the back or blue tac. • Once you have done that you need to stick your donkey on the wall. <p>(No need to cut this one out as it has a great background)</p> <p>Now you have created your pin the tail on the donkey game it's time to play.</p>	<p>Mathematics:</p> <p>Number Focus</p> <p>Recycling count and colour</p> <p>Our morning maths activity is called recycling count and colour.</p> <p>In our focus book we saw the magpie recycling different objects. Today we are going to count and colour the objects that can be recycled. When you have counted them and coloured them in, circle the correct number that represents the amount.</p>	<p>What colour are they?</p> <p>Is there an egg that has not changed colour?</p> <p>Which egg is the darkest?</p> <p>The eggs are pretending to be your teeth and this is what could happen if you drink too many sugary drinks!</p> <p>We must make sure we brush our teeth properly twice a day!</p> 	<p>Expressive Arts and Design:</p> <p>Printing with objects</p> <p>Let's get printing this morning, first you need to go on a treasure hunt around your house to see what you are able to find, to help us create our art work.</p> <p>You will be looking for anything you are able to use as a printing block; this may be cardboard tubes, plastic lids or mesh bags.</p> <p>You will need:</p> <ul style="list-style-type: none"> • A4 paper • Paint • Your recycling items for printing <p>Method:</p> <ol style="list-style-type: none"> 1. Place some paint onto your plate, enough to cover the surface you are going to print. 2. Now you're ready 	<p>what the rhyme is for 'p'.</p> <p><i>Down the pirates plait and around his face.</i></p>  <p>Source: p-p-p-irate Handwrite: Down the plait and over the pirates face</p> <p>My list of words that start with p:</p> <ul style="list-style-type: none"> • People • Pig • Peace • Police officer • penguin <p>Did you add anymore words to the list?</p> <p>Our second sound for letter formation is 'u'.</p>
<p>Expressive Arts and Design:</p> <p>Drama - role play</p>				

Blind fold the first player and hand them a tail.

Let's see if they can put the tail in the right place!

Literacy:

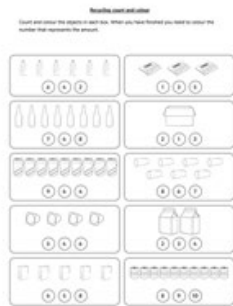

News

[Messy Magpie](#)

Our news lesson today starts with a story called Messy Magpie!

Get ready for the story and turn on your listening ears!

Click the link above to play the story Messy Magpie.

Understanding the World

[Recycling information](#)

Let's learn more about recycling just like the messy magpie had to!

Did you know when you throw away an empty drink carton or food packaging, do you think carefully about whether or not it can be recycled?

It wasn't so long ago that people took their recycling to a special facility by themselves.

Today for our drama activity we are going to create a bakery!

The children can create their own bakery with baked goods and sell them to their friends and family who would be their customers.

You can make goodies, like cookies and cakes, using cardboard paper cut outs and crayons.

If you have any cooking magazines with different baked goods they can cut them out and use them too!

Physical Development:

[Gym with Coach Marc](#)

to print, push your recycled item you have found down into the paint making sure the whole are is covered.

3. You are now able to place your printing block down onto your paper, making sure you push down and lift up to make a clear print.
4. Continue using the different items you have found, making different sized prints on your paper.

Have a lot of fun and remember when dry, you are able to hang your work up on the window, wall or fridge.

Here is our letter formation rhyme for 'u':
*Down and under,
up to the top and
draw the puddle.*

Let us create a list of words that sound with 'u':

- umbrella
- unicorn
- unicycle

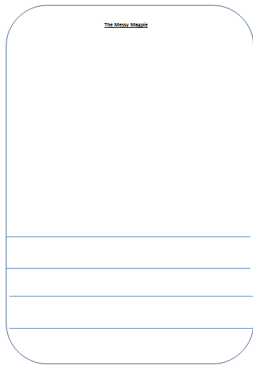

Add 3 more words to my list!

Now it's time to draw a picture for each sound under our list of words using the worksheet.

Colour them in the correct colour!

<p>Questions about the Messy Magpie:</p> <ul style="list-style-type: none"> • What type of bird is Morris? • What kind of objects do magpies like to pick up? • Where did Morris take the objects that he found? • The things Morris found weren't actually gifts. What were they? <p>Now you have answered the above questions it's time for our writing activity!</p> <p>I would like you to use the worksheet above to write about your favourite part of the messy magpie!</p> <p>Write your sentence and draw a picture to</p>	<p>Nowadays, household recycling is usually collected from people's doorsteps by the local council – just as all rubbish is.</p> <p>Let's learn more about how we are able to help to recycle and what can be recycled by watching this short video.</p> <p>After we have watched this short video let's see if you are able to remember where each item should go, into the recycling or into the trash.</p> <p>Cut out the pictures from the worksheet above and stick them either on the left if you think we can recycle the item or on the right if you think it needs to go into the trash.</p>	 <p>Personal, Social & Emotional Development:</p> <p>Hygiene</p> <p>Brush your eggs!</p> <p>This morning we put our eggs inside different liquids to see what happens to them.</p> <p>We saw that the egg that went in the dark coloured drinks turned the egg dark.</p> <p>Now we are going to try and get rid of the dark stain on the eggs that was created by the drinks.</p> <p>The egg is representing</p>	<p>Literacy:</p> <p><u>Phonics</u></p> <p>This morning we have a tricky lesson. But I know you can all do it!</p> <p>Let us get our thinking hats on and prepare for our lesson.</p> <p>Pull that hat on and make sure it's on nice and tight.</p> <p>Pull your chairs in and place both feet on the ground.</p> <p>Today we are going to look at 'c' and 'k'!</p> <p>They make the same sound, but we need to know when to use 'c' and when to use 'k'.</p> <p>Let's start with curly 'c' jolly phonics...</p> <p><i>We are clicking castanets, /c/ - /c/ - /c/.</i></p>	<div style="border: 1px solid black; height: 100px; width: 100%;"></div> <p>Mathematics:</p> <p><u>Project (Shapes)</u></p> <p>We are continuing our Maths Project lesson with shapes.</p> <p>In our previous lesson we learnt about 2D shapes.</p> <p>We had to label all the 2D shapes.</p> <p>Can you remember the shapes?</p> <ul style="list-style-type: none"> • Rectangle • Circle • Triangle
---	---	---	---	---

match!

Mathematics:

Number Focus

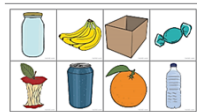

[Number line washing line](#)

This afternoon we are creating a washing line to hang our numbers on!

First we are going to write our numbers on the t-shirts and colour them in.

Next we need to cut them out so we can hang them on the washing line.

You are able to check back to the video if you are unsure of where an item should go, have fun learning about how you are able to recycle.

Expressive Arts and Design:

Paper making

Let's get creative and make our own recycled paper this afternoon.

This will help us to remember we are

our teeth and what will happen if we drink too much fizzy drinks.

So this afternoon we are going to use a tooth brush to brush our eggs!

Can you see if you get make the egg change colour?

Happy brushing!

Literacy:

[Phonics](#)

It is time for our phonics lesson!

Time to turn on your listening ears and show your big learning eyes!

We are going to be recapping sounds 'p' and 'n' today.

Let's begin with the jolly phonics for 'p'....

Puff our the candles on the pink pig cake

We are clicking castanets, /c/ - /c/ - /c/.

We are clicking castanets, Clicking Castanets... ... We are clicking castanets, /c/ - /c/ - /c/.

Now we are going to make our 'c' words. See if you can guess what is on my list!

My 'c' list:

- Cat
- Cot
- Cable
- Cake
- Corn
- Coat

- Square

Today we are looking at a 3D shape.

Let's start by watching this short [video](#) about different 3D shapes.

Login details:
Username:
student35794
Password: Mulberry

Can you remember the name of some 3D shapes that we saw?

- Cube
- Cuboid
- Pyramid
- Sphere
- Cylinder
- Cone

Did you remember any?

Today we are looking at the 3D shape pyramid.

We know that a pyramid has:

5 faces (*which is the*

To create our washing line, you can use some string or if you have a real washing line you can use that!

Now your washing line is ready you need to hang them up.

To hang your t-shirts to dry you need to use pegs!

Can you put the numbers in the correct order?

The template is 1-10 however please print twice to do 1-20.

I can't wait to see them!

Expressive Arts and Design:

[Magpie drawing](#)

To start our art activity let us take a

able to recycle and make new things out of old things that we may not need still.

You will need:

- Scraps of old paper
- Washing up bowl
- Blender
- Washing up liquid
- Food colouring (optional)
- Seeds or petals (optional)
- A large deep tray
- A bit of plastic (around the size of your tray)
- 2 tea towels
- Rolling pin

Method:

1. Collect any unwanted scraps of paper from around your house, and rip them into small bits.
2. Place the scraps of paper into a washing up bowl

Ppp ppp
Puff out the candles on the pink pig cake
Puff puff puff

We need to make a list and think about words that start with 'p'. Can you remember any so we can create a list together?

Here is my list:

- Pig
- Pot
- Pat
- Picture
- Portrait

Did we get any the same?

In case you need reminding of how we form our 'p' here is a letter formation sheet to help you practice. See if

Did you guess any correctly? What is on your list?

Here is the letter formation sheet to help with your formation. At the bottom of it I would like you to fill in the missing sound!

Letter Formation Worksheet

Name:

Trace over this letter and then try writing your own.

C

Complete the words below by writing in the correct letter.

Let us sing the jolly phonics song for 'k'...

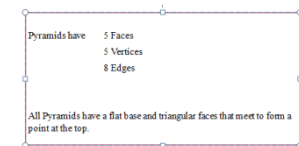

Kites are flying in the sky,
Kkk
Kites are flying in the sky,
Kkk
Kites are flying in the sky,
flying in the sky...

flat surface)

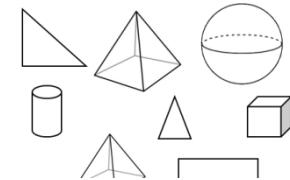

5 vertices - (**which means a corner where edges meet**)

8 edges - (**which means where two faces meet**)
The activity today is to use the worksheet provided above and find all of the pyramid shapes and colour them in green.

How many can you find?

I have coloured all of the pyramids in green.

Expressive Arts and Design:

Junk modelling

moment to recall the main character from our story the messy magpie.

Questions:

- What colour is the magpie?
- Where does he live?
- What does he look like?
- What does he like to collect?

After answering the questions it's time to get started with our drawing of a magpie. Use the picture to draw the magpie.

You will need:

- A4 white paper
- Coloured pencils
- Writing pencils
- Pictures of magpies

To start with, look at your reference picture that you have found on google of a

- filled with warm soapy water.
3. Leave the paper to soak for at least 30 minutes. It will work better if left over night.
 4. With an adult, pour water into a blender until it's $\frac{3}{4}$ full.
 5. Ask an adult to help put in a hand full of the wet paper into the blender and mix it into a pulp. Keep adding paper and water to the blender, until the paper is broken down into a paste. If you don't have a blender you are able to use a spoon to break the paper down into a paste.
 6. You can also add food colouring, petals or seeds to make your paper really fun.
 7. Pour your paste

you can fill in the missing sound at the bottom!

Letter Formation Worksheet
Trace over these letters and then try writing them.

Complete the words below by writing in the missing letters.

__an __ear __arcel

Now we can move on to our second sound 'n'.

Can you remember the jolly phonics for 'n'?

**Hear the aeroplane
Nnn**
**Hear the aeroplane
Nnn**
**Hear the aeroplane
Nnn**
**Hear the aeroplane
Nnn**
Making lots of noise

**Kites are flying in the sky
Kkk**

Kites are flying in the sky, /k/-/k/-/k/.

Kites are flying in the sky, /k/-/k/-/k/.

Kites are flying in the sky, flying in the sky... /k/-/k/-/k/.

...kites are flying in the sky, /k/-/k/-/k/.

Action: Raise your hands and snap your fingers together, as if you are playing castanets, and say

Let's make a list of words that start with 'k'...

- Kite
- Key
- Kettle
- Koala

What can you add on to my list of 'k' words? Here is the letter formation sheet for 'k'.

Please complete it and fill in the first initial sound.

Today we are going to get creative with the different items we can find around our house.

Yesterday when we went on a treasure hunt for items to print with, hopefully you were able to find extra items such as box, milk bottles and egg carton.

With these different items you are going to be doing some junk modelling!!

You will need:

- Tape
- Markers
- Junk modelling items from around your house.

Method:

1. First thing you need to do is decide what you would like to make with your junk modelling items; it may help to draw a design down on a bit of paper first.

magpie and then start to draw what you can see.

Make sure you are including all the features of the magpie, such as his eyes, legs and wings.

Once finished, colour the magpie in making sure that you use the correct colours.

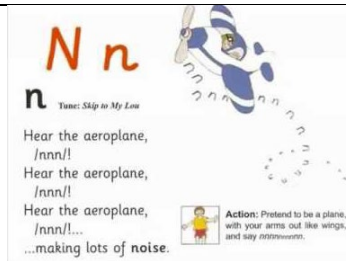

Then add the background that you may find a magpie in, such as a forest.

Have a lovely time doing an observation drawing of a magpie.

into your large pan, and add 3cm of water.

8. Press the plastic on top of the paste mixture and squeeze all the water out.
9. Carefully, turn the paper mixture out onto a tea towel.
10. Lay another tea towel on top of the paper and use the rolling pin to roll out the paper really thinly.
11. Leave your paper to dry for 24 hours.
12. When the paper is dry, it's ready to use.
13. Have fun creating something amazing with your new paper.

Now we have to think of some words that start with n.

Can you remember any from our phonics lesson at school?

Here is my list:

- Net
- Nap
- Nose
- Nail

Did you think of some too?

Here is a letter formation sheet for 'n' to help you practice. See if you can fill in the missing sound at the bottom!

Letter Formation Worksheet

Name: _____
Trace over this letter and then try writing your own.

k

k

Complete the words below by writing in the correct letter.

Now it's time to draw a picture for each sound under our list of words!

Colour them in the correct colour!

Physical Development:

[Gym with Coach Marc](#)

Literacy:

[Letter Formation](#)

Today our letter

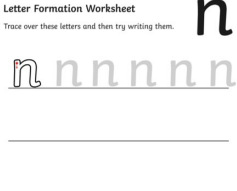

2. Once you have your design it's time to start making your item, using the junk modelling material and tap.
3. Once you have made your creation you can decorate it using your markers.
4. Have a lot of fun creating your design and playing with whatever you make out of the recycled materials you had around your house.

Personal, Social & Emotional Development:

Wellbeing

To write a diary

<p>Mathematics:</p> <p><u>Project (Shapes)</u></p> <p>This week we will be focusing on shapes.</p> <p>In this lesson we are looking at 2D shapes.</p> <p>To start this lesson, you can ask the children to go around the house and identify different shapes that we use every day.</p> <p>Call out one shape at a time and set a timer to see how many they can find before the timer stops.</p> <p>Once completed the warm up game you can move on to the worksheet.</p> <p>Today the worksheet is to write down the name of each shape.</p> <p>The names for the</p>	 <p>Mathematics:</p> <p>Number Formation</p> <p>Making sand /crushed cereal</p> <p>In our Maths lesson today we are going to practice our number formation.</p> <p>A fun way to do this is in the sand! We don't have to be on holiday to use sand, we can make our own!</p> <p>We are going to start with making the sand. Adults, you can ask the children to help make the sand with you as this is a good way to practice numbers and capacity!</p>	<p>Letter Formation Worksheet Trace over these letters and then try writing them.</p>  <p>Complete the words below by writing in the missing letters.</p>  <p>Now it's time to draw a picture for each sound under our list of words!</p> <p>Colour them in the correct colour!</p>	<p>formation letter is 'i' and 't'.</p> <p>Before we start our writing, let us warm up our hands!</p> <p>Rub the front of our hands, rub the back of our hands.</p> <p>On top, underneath, shake to the side, shake to the other side.</p> <p>Now give your fingers a big stretch!</p> <p>Pull your chair in and place your feet on the floor.</p> <p>We are going to practice the letter formation of 'i'.</p> <p>Let's remind ourselves of the rhyme that goes with 'i'...</p> <p>Down the body and dot for the head.</p>	<p>This afternoon I would like you to start a diary or a feelings journal.</p> <p>You can use a note book or just normal lined paper and then staple the pages together when you have completed it.</p> <p>Ask the children every day to sit with you and write the date at the top.</p> <p>Encourage your child to write or draw an emotion that they are feeling on each day.</p> <p>This is a great way to see how your child is feeling.</p> <p>What was it that made your child feel so happy this week?</p> <p>Or why do they feel sad today?</p> <p>Try and write or draw in it every day and look back every week to see what emotion they felt</p>
		<p>Expressive Arts and Design:</p> <p>Drama - role play</p>  <p>This afternoon in line with our focus book I would like you to</p>		

shapes are below. So you can also use this activity as a cutting and sticking game.

Enjoy!

Name _____ Date _____

Write the correct name next to each shape.

What you need to make the sand:

- 5 cups of flour
- 1 cup of vegetable oil/ baby oil

How to make the sand:

- Put the flour in a bowl.
- Make a well in the middle.
- Pour the oil into the well.
- Mix the oil and flour together with a spoon or your hands.

An alternative is to blend cereal until there are no bits left. The best cereal to use for this is Cheerios.

Now you have your sand it's time to practice your numbers!

What is the biggest number you can write?

pretend you are recycling detectives!

This means you must go around your house and think about stuff that can be recycled.

This does not mean only things from the kitchen. We can recycle (or reuse) other things.

What happens to your clothes when you no longer fit in them?

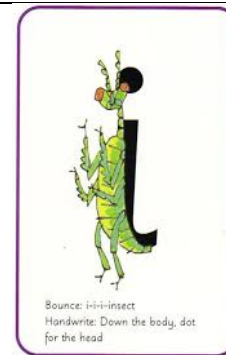

Good luck detectives!

Understanding the World:

[Recycling](#)

This afternoon let's continue learning about recycling; first take a moment to watch this short [video](#) to recap on what we should be recycling.

After watching the video, we are able to

Now let us think about words that start with 'i'..

List for 'i':

- Insect
- Indigo
- Igloo
- Iguana

Can you think of some more to add to my list?

The next letter we are going to practice is 't'.

Let's remind ourselves of the rhyme for 't'.

Down the tower cross the tower.

the most.

Physical Development:

Games

Hide and seek!

Today our game is hide and seek!

We start our game with one player closing their eyes for a brief period (often counting to 100) while the other players hide.

The seeker then opens their eyes and tries to find the hiders; the first one found is the next seeker, and the last one found is the winner of the round.

Have fun!

Expressive Arts and Design:

[Music with Janie](#)

What is the smallest number you can write?

Adults, you can also use this activity to do “one more, one less”

Practicing their number formation in the sand encourages the children to want to do the activity! Here is the [link](#) to the number rhyme for each number.

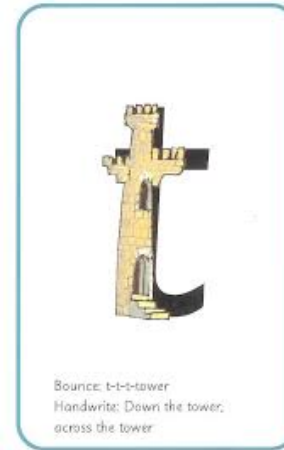

take a look at the fact cards below.

These cards give us more information about the different items that can be recycled as well as what recycled items can be made into.

After going through the cards let's take some A4 white paper and draw a picture of different items that you are able to recycle.

If you are struggling to remember some of the items, you can go back and watch the video again.

Have fun and remember to use the correct colours.

Now it's time to make a list of 't' words...

List of 't' words:

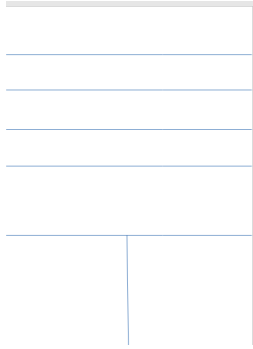

- Tower
- Toast
- Tea
- Ten

How many more 't' words can you add to my list?

Adults, print the worksheet below so the children can write on and draw a picture at the end!

Remember your finger

			space! 	
--	--	--	--	--
