12.00pm				<b>LUNCH TIME</b>	
Co-Curricular Activities				<u>Reading Reviews</u>  This afternoon we would like you to reflect on the reading that you have done over the holidays. You are going to write a book review for one of these books. It can be a book that you really love or a book that you did not like at all. As long as you can draw on your own opinions and back up what you have to say	<u>Research Time</u>  This afternoon you are going to conduct some independent research. We would like you to choose your favourite artist and find out about their life. You can present this through whichever medium you want, you can write about it or create a digital presentation as two examples. Please include facts about them, their artwork and

				<p>with information from the text.</p> <p>Use this <a href="#">book review template</a> to help you put together a book review. It does not need to be completed in this format, as long as you include all of the key information you can be as creative as you like. We will be sharing these with the class tomorrow so please make sure that you reflect on whether you would recommend this to one of your friends.</p> 	<p>use your red thinking hat to consider how their work makes you feel. We would also like you to create a piece of work influenced by his artistic style using a similar medium of art to that in which their original was created.</p> <p>You will be presenting these when we log back in at 2pm including some time for questions from your peers.</p>
