1:15-3:00pm	<p>Co-Curricular Activities</p> <p><u>Option A: Volcanoes</u></p> <p>Continue your learning of volcanoes by completing this exciting activity at home.</p> <p>Remember that a volcano is a very deep hole in the Earth's top layer that can let out hot gases, ash and lava. Many volcanoes are also mountains. In the link below you will find a guide to help you erupt a volcano of your own.</p> <p><a href="#">VOLCANO GUIDE</a></p> <p><u>Option B: What makes me happy?</u></p> <p>As you are all aware, it is very important to share your feelings, especially if you are feeling worried or upset about something.</p> <p>However, the most important thing is that you are aware of the different things that make you happy.</p> <p>Have a go at writing</p>	<p>Co-Curricular Activities</p> <p><u>Option A: Observational Study</u></p> <p>Draw a detailed picture of a car - this could be your grown-up's car, a car you can see out of your window or even a toy car! Be sure to add as much detail as you can before colouring your picture in!</p> <p><u>Option B: Marvellous Measuring Challenge!</u></p> <p>Measure the height or width of items around your home. Draw pictures or write the name of each object then record its length in cm. You could even convert your measurements to mm or m! When you have finished, order the items from shortest to longest! What was the shortest item you measured? What was the longest item you measured? Extension challenge - measure the length and width of your bedroom - you could measure in non-standard units as well as standard units!</p>	<p>2:15-3:00 Drama Meeting ID: 935-141-8162 Password: 6MTMhg</p> <p><a href="#">ZOOM LINK</a></p>	<p>Co-Curricular Activities</p> <p><u>Option A: Journey to the centre of the Earth!</u></p> <p>Write and illustrate a story about a journey to the centre of the Earth! How will you travel there? Who with? Why? What will you see or encounter along the way? Do you encounter any problems on your journey? What are they? How do you get back to the Earth's surface?!</p> <p><u>Option B: The invention of the car</u></p> <p>Conduct some research about the invention of the car - you could even explore how they have changed over time!</p> <p>Draw some pictures and write some sentences detailing what you found out.</p>	<p>2:30-3:00 Research Project Sharing Time Meeting ID: 935-141-8162 Password: 6MTMhg</p> <p><a href="#">ZOOM LINK</a></p> <p>Ahead of these sessions, be sure to think about what you want to say to your friends about your research findings... It will be very helpful for you to write down some sentences or bullet point notes detailing the key points you want to share!</p>

	<p>down all of the things that make you happy, use the template in the link below to help you jot each of the different things that make you happy.</p> <p><a href="#">WHAT MAKES ME HAPPY TEMPLATE</a></p>
