Statement

THE MULBERRY HOUSE SCHOOL

The term 'disabled', as defined in the Equality Act 2010, refers to those with a physical or mental impairment, which has a substantial and long-term adverse effect on the ability to carry out normal day-to-day activities.

All children have the right to be educated and develop their full potential alongside each other. It is vital that all children experience opportunities to help them flourish and reach their full potential.

Aims

- ◆ To recognise any special needs a child may have and ensure all staff is aware of the SEND Code of Practice: 0 to 25 Years principles on identification and assessment of special needs.
- ◆ To provide individual education plans (IEPs) or otherwise record the progress of and support for any pupils with significant learning difficulties or disabilities on an individual support plan.
- ◆ To adapt lessons so that every child can access our curriculum.
- ◆ To make sure that the curriculum and schemes of work take proper account of the needs of all pupils, in terms of ability, needs and aptitudes.
- ◆ To make Relationships Education accessible for all pupils and take into consideration when designing and teaching these subjects that some pupils are more vulnerable to exploitation, bullying and other issues on account of their SEND.
- ◆ Raise staff's awareness through training, and where appropriate, invest in specialist skills to understand the needs of our pupils.
- ◆ To ensure that admissions, discipline and other procedures (for example, arrangements for school trips or examinations) take account of pupils' needs.
- ◆ To employ a Special Needs Co-ordinator who is experienced in the care and assessment of children with special needs.
- ◆ To assess each child's specific needs and adapt our facilities if possible. – this might involve assistance from a specialist, such as physiotherapy therapist and speech therapist.

THE MULBERRY HOUSE SCHOOL

- ◆ To make decisions to involve external specialists in discussion with parents, and parents should be informed if their child is receiving SEN support.
- ◆ To maintain confidentiality of records about children, with access only available to those who have a right or a professional need to see them.
- ◆ To request statutory assessment from LAs when this appears necessary and in agreement with parents.
- ◆ To provide suitably for pupils with EHC plans.
- ◆ To ensure that all children are treated as equals and are encouraged to take part in every aspect of the school day.
- ◆ To promote positive images of persons with disabilities and stimulate a climate of non-discrimination and inclusion.

The Mulberry House School believes that all children have a right to experience education and develop alongside their peers. Each child's needs are unique, therefore, any attempt to categorise children is inappropriate.

The school is committed to working alongside parents, in the provision for their child's individual needs to enable us to help them to develop to their full potential.

All children with special needs/disability have a right to a broad and well balanced education.

We feel it is paramount to find out as much as possible about the particular needs of children with SEND and how these affect their learning. We do this by:

- liaising with parents
- listening to children's views
- liaising with other professional agencies
- liaising with the child's previous school.
- reading any reports that have been prepared by other professionals
- monitoring and reviewing the progress and development of children regularly.
- Reading SEND code of practice: 0 to 25 years.
