

W/C: 20.05.2024

**This week
we are
learning
to...**

Literacy

This week in our Creative Writing lesson, the children will review how to write an informal letter to the future Prep III class, containing advice on how to help get ready for their exams. At home, encourage your child to read a newspaper article on Newsround or First News.

Maths

In our Maths Number, the children will revise fraction of quantity. At home, encourage your child to log into Maths Whizz for as least 45 minutes this week to make at least 3 progressions.

Science

This week in our Science lesson, the children will understand how to safely use planting tools and learn the reason why plants bend towards the light. At home, encourage your child to get involved with gardening.

Project

In our Project lesson, the children will understand the origin of the Olympic games. At home, encourage your child to compare and contrast the Ancient Olympics with the modern Olympic games.

Metacognition

This week in our Metacognition lesson, the children will develop their understanding of emotions and brain structure. At home, encourage your child to consider how they can manage emotions to help them deal with the world and improve their learning skills.
