**This week
we are
learning
to...**

Understanding the world

The Hedgehogs' class are going to be exploring a variety of books, including the story 'Angelica Sprocket's Pockets' by Quentin Blake. At home, you can read your favourite book together, and why not encourage your child to bring this in for Show and Tell?

Maths

This week, the Hedgehogs' class will be continuing the theme from the story 'Angelica Sprocket's Pockets' by Quentin Blake. They will be categorising objects in order of size, counting out these items from 0-5 and putting them a piles of 'big' and a pile of 'small'. At home, you could use objects such as blocks to continue their learning.

Literacy

This week the children will be drawing the different characters from the story 'Angelica Sprocket's Pockets' by Quentin Blake. The children will be looking at the features and characteristics of the characters too. The class will also be trying to think of their own ending to the story and answer the question 'what do you think happens next?' We will be continuing to encourage the children to use the pinching crab technique to hold the pencil with their thumb and first two fingers.
